Conditions

CONDITIONS OF SALE

The delivery time and the ordered material and price will be confirmed by AREA within 24 hours from receipt of order. AREA will specifically request customer approval for the confirmation of this delivery time, material and price. In case of not receiving the requested confirmation, AREA deemed correct and accepted by the customer. The payment will be agreed in each case with the customer fulfilling the new law 15/2010 of 5 July 2010.

The customer specifically agree that the implementation of the offer shall be subject to the general conditions for the supply and installation of electrical, mechanical and electronics products associated with Orgalime SE -01 Brussels, September 2001 Edition.

WARRANTY CONDITIONS

Guarantees shall be executed in direct mode for one year from the date of sale, reserving the right to request AREA material for analysis. AREA also reserves the right to award an additional warranty period of certain products, through a warranty document attached on these specific products. The warranty request has to be in a written form, giving the reasons for the complaint.

If AREA requests the material for analysis, the customer will receive a Return Authorization document issued by AREA. The customer must return the material requested by AREA, freight prepaid, to our location in Santa Perpetua de Mogoda (Barcelona) Spain, enclosing a copy of the Return Authorization received. The reclaimed material can be analyzed by AREA or, in some cases, can be shipped to the appropriate manufacturer to proceed to its analysis and rule on the cause of the problem. The material manufactured by AREA or another company in our group as well as that sold under brand AREA will be used in all cases by AREA. In the case of material analyzed by AREA, it will be issued and made available to the customer a tech-

nical report within a maximum period of 30 days from the date of receipt.

In the case that AREA send the material to manufacturers, AREA deliver the technical report from manufacturer to customer within 24 hours of receiving the report. AREA warranty will not cover the material that has been installed or used incorrectly by the customer, the installer or the end user. Technical report dictates whether the failure is caused by incorrect installation or use, or a manufacturing defect product. The warranties for manufacturing defects will be the replacement of defective goods or the payment thereof. It is at the discretion of AREA how the guarantee will be met either by reposition or by paying the material.

RETURN MATERIAL CONDITIONS

Returns will be accepted within the next 15 calendar days from the delivery date. All returns must have prior authorization from our sales department who will assign you a return number must be included in a conspicuous place in the delivery of the returned merchandise. Material returns will be accepted without such reference.

The material shall be shipped freight prepaid by the customer to our address: C / Valencia 17-19, 4 Ind., 08130, Santa Perpetua de Mogoda, Barcelona, Spain. The material should arrive in perfect condition and in original packaging. As soon as it is verified the status of the return, the customer will be paid up to a maximum of 85% of net invoice value for the costs of packaging and product reviews. All conditions of sale, warranty and return material foregoing apply immediately from the date of publication of this document until the publication of a new edition to replace the present.
